## ABOUT SCHOOL

The Educational and Welfare Society started its journey in the year 1991.

Panchsheel Adivasi Ashram School is a free boarding School caring for over 500 children.

## FACILITIES IN THE SCHOOL

The school offers to all students' big and good buildings, healthy food and certainly excellent education. Main object of our school is, to prepare the students in the best way for their life.

- Teach Next Room Digital Class
- Dining Hall
- Species Classrooms
- Solar street light for the safety of the students in the darkness

- Regenerative Energy from solar System and windmill

Our students get thrice a day warm and healthy food. Therefore we use:

- Vegetables from our own field
- Self-made flour
- Flour Mixer
- Chapatti machine
- Gas Oven

This guarantees food of the best quality and safes nature resources.

Compulsory study during morning and evening.

Sport

Students do sports, exercise and Yoga. Regularly there are winner in many different disciplines on sport tournaments.

## NEED OF THE HOUR

Besides academic subjects there is a strong focus on vocational skill training, which is very competitive thus Panchsheel gives platform to the children someway to earn their daily bread.

Carpentry and Tailoring
